ACTION ITEM East Bank Computer Repair Shop

The East Bank Computer Repair Shop opened on **April 11**. Located in the Paul Emenes Special Service Building, the Repair Shop offers full computer services and is open Monday - Friday from 7:30 a.m. - 4:30 p.m. The building's address is 822 Clearview Parkway in Harahan, located at the foot of the Huey P. Long Bridge. The telephone number for the Repair Shop is (504) 736-7370. The shop is at the rear of the building. If entering from the front, the building receptionist will be able to direct you upon your arrival. There is also a buzzer/speaker system at the back door that is manned by the Computer Repair Staff. This will allow you quick entrance into the building to the repair shop. This is very convenient if you have more than one computer to bring in for repair. A ramp and reserved parking for anyone visiting the Repair Shop located at the rear of the building exists as well.

Teachers who are resigning can return their laptops at either location by **June 6**.

ACTION ITEM 2016 Voluntary Transfer Process

The application process for the Voluntary Transfer Process (VTP) opened **Monday, April 11**, and will close **May 27**. If an employee has a desire to transfer they **MUST** apply between **April 11 – May 27**. NOTE: There will not be a second transfer process in the summer.

What types of employees are eligible for the Voluntary Transfer Process (VTP)?

The Voluntary Transfer Process is for certificated teachers, deans, assistant principals, counselors, and para- professionals.

Who is eligible for transfer?

Certificated teachers, deans, assistant principals, counselors, and para-professionals are eligible for transfer if they:

- ✓ Have a minimum of 2 years of experience in JPPSS at their current school
- ✓ Hold a valid (up to date) Louisiana teacher certificate in the requested subject-area vacancy (teachers only)
- ✓ Are currently NOT on any level of an Intensive Assistance Plan (IAP)

Principals, if you have an employee currently on an IAP, Please notify your E.D. The IAP status is required for transfer. HR will verify each employee's IAP status with the E.D. before approving any transfer.

How does a principals know an employee is eligible for transfer?

There are two ways a principal may determine transfer eligibility of an employee

- (1) The eligible employee will have a letter generated from AppliTrack when they apply for transfer stating if they are approved or denied for transfer (Principals should request a copy of the employee's transfer eligibility letter before conducting an interview).
- (2) All employees applying for VTP must apply via AppliTrack. Human Resources will write in the "Notes" section of each employee's application if they are approved or denied transfer. It is important that principals **do not** interview current employees without verifying their eligibility for transfer.

Once an employee is approved for transfer, interviews and reaches Mutual Consent, the principal of the school losing an employee will be notified by his/her Staffing Coordinator and the vacancy created by the employee leaving will be posted online.

May is HERE!!!!

It is time to start turning in items to the book room!!!!

I will collect class sets this week from teachers and starting next week I will collect the Promethean board and red cat items. (This includes the IS set that you have)

I will send a master list later this week that shows each person in alphabetical order and what they still owe so you can help your students know what to search for.

I am ONLY collecting senior text books during lunch this week. Tell the students that the library is CLOSED due to the poor teachers who are uprooted with testing. But seniors are allowed to come in to return their textbooks
