**FOR OUR STUDENTS TO BE COMPETITIVE...
OUR SCHOOLS MUST BE COMPETITIVE.**

YOUR VOTE IS IMPORTANT ON NOVEMBER 18TH

Jefferson Parish School Board Millage

Jefferson Parish School System passed a resolution for an 8.45 mill property tax to be voted on by Jefferson Parish voters on Saturday, November 18, 2017. This millage will be dedicated solely to Jefferson Parish employee pay raises. With its passing, district employees' salaries will increase as follows:

- \$4,000 for certified teachers
- \$3,000 for employees whose position's average annual salary is over \$20,000 or more
- 10% increase for employees whose average annual salary is less than \$20,000.

Stats

- Jefferson Parish School System is the largest school system in the state of Louisiana.
- The school system ranks 26th in the state and last in the 8 surrounding parishes when it comes to starting teacher pay.
- With the pay raise the school system would move up to 5th in the state and 2nd in the surrounding parishes.
- Jefferson Parish has lost over 1,000 employees last school year alone.
- Right now Jefferson parish has over 130 (60 teacher) positions open, St. John has 35 (21 teacher) open positions, St. Tammany has 5 (4 teacher) open positions, and St. Charles has 5 (1 teacher) open positions.
- Many of the support staff positions in Jefferson parish start off around \$16,500 and under. The surrounding parishes start off at more than \$20,000 annually.
- With this pay raise the school system can be more competitive with the surrounding parishes and have the ability to recruit and retain highly qualified teachers and school employees.

How much will this affect Homeowners?

If you are a homeowner and your house is worth \$200,000 then you will pay \$105.63 year which equates to about \$2.04 a week.

It's all about investing into Jefferson Parish Public Schools. Right now Jefferson Parish pays some of the lowest mills (property tax) when it comes to educational resources.

- Jefferson Parish 22.91 mills
- St. Charles 55.76 mills
- St. Tammany 68.16 mills
- Caddo 74.66 mills

Support public education by taking five of your family and/or friends to go vote.

Final Exams for LEAP 2025 (formally EOC) Courses Update

As a result of the delay in the reporting of scores, for the 2017-2018 school year, teachers will be required to administer a final exam at the end of the course for the following subjects: **Algebra I, Geometry, English I, English II and US History** (schools on a 4X4 block schedule). The final exam will be worth 25% of the grade for the course.

English III and Biology courses will continue to calculate the EOC score as 25% of the grade.

The existing [conversion tables](#) for EOC 4-level tests for Biology, English III, and U.S. History have not changed (click the link above to view).

US History Assessment

NOTE: In 2017-2018, retesters who are not enrolled in a U.S. History course and graduating seniors will take the End-of-Course (EOC) U.S. History test or...the 4-level test (this includes all 11th graders that have declared an intent to graduate early). All other students enrolled in a U.S. History course will take the LEAP 2025 U.S. History test (5-level test).

Revised 8/7/17

Moving Forward with ESSA Spring 2018

Please share with your staff.

BESE incorporated the following changes in response to suggestions from district superintendents:

- Scores of “basic” will now be valued at 80 in the system, rather than 70.
- Students scoring mastery or above will be awarded a minimum “floor” of 85 points in the progress index, rather than being able to score at the lower levels of that index.

In 2019, the state will use the better of 2017 or 2019 science scores for elementary and middle schools, in order to ease the transition to new assessments.

Social Studies Fair

The Jefferson Parish Social Studies Fair will be held **January 13, 2018**, for students in grades 4-12. Please email jennifer.bodenheimer@jppss.k12.la.us to confirm your intent to participate in the event. You will then receive copies of all relevant paperwork, including project guidelines, registration forms, and permission slips. If you have any questions, please contact sandra.newsham@jppss.k12.la.us or Jennifer Bodenheimer.

5 THINGS THAT TRANSFORM A SCHOOL

1 : Leadership

The Principal is seen by the teachers as an equal participant in learning.

2 : Awareness

Teachers are aware of the impact of 21C opportunities and challenges

3 : Structures

The school operates as a **network** not a hierarchy

4 : Assumptions

School knows young people need more than just a **grades**

5 : Top-Down

School leaders aware of an **unpredictable** world are developing visions with and not for people

Educational Technology

Clever Instant Login allows you and your students to sign into multiple online apps while only having to remember one password. Your rosters and accounts are also synced automatically from Infinite Campus into Clever.

Discovery Education Streaming will be added to our Clever portal on Friday, November 4th. All JPPSS students and teachers will now have a Discovery account and must sign into that account via Clever. After this date, users will NOT be able to log in from the Discovery site.

Discovery Features:

- Streaming library with thousands of K-12 videos for all subjects
- Standards-aligned activities and lesson tools
- Online Quiz Builder for students (includes multi-select and short answer questions)
- Writing Prompt Builder for students (includes Writing Prompt Library)
- Board Builder for students to create digital presentations

I'm including directions on how the login process will change at the link below. If you are an existing Discovery user, please review these directions before November 4th so that you do not lose any data.
<http://edtech.jpschools.org/wp-content/uploads/sites/170/2016/10/Discovery-Clever-Changes.pdf>

We hope this shift allows you to use more of Discovery's tools to enhance your instruction!

EAGLE 2.0

The state has launched the latest version of EAGLE. The district is in the process of uploading teachers for access. Teachers should use this resource as often as possible. Remember: EOC tests will be created by the company that provides EAGLE. So the appearance, format and tools will be heavily aligned.

Getting Started in EAGLE 2.0

Shortly, teacher accounts will be created in [eDIRECT](#). Then teachers will receive an email from the Data Recognition Corporation Customer Service Support Team.

- Email will include eDIRECT user id and temporary password.
- Click on the URL in the email notice, and you will be routed to eDIRECT where you will be required to complete the auto-prompt password reset.
- Reset your temporary password within 10 days.

If you have any questions at this time, please contact Sharon Thomas

FRIENDLY REMINDER REGARDING OUR POLICIES

- I. It is imperative that **no students collect money** unless they are under the direct and active supervision of an adult. Please ensure that any time students are assisting with fundraisers (bake sales, concession sales, penny wars, etc.) they have an adult with them to supervise, and preferable handle the money themselves. If students are seen collecting money without adult supervision, the fundraiser they are collecting for will be immediately terminated. Thank you for your cooperation with this policy.
- II. **All students must leave campus at the 2:40** bell unless they are under the direct supervision of a coach, sponsor, or teacher. Remember, if students are staying with you for tutoring or an activity, they are your responsibility until they leave campus. You must walk them to the back porch and remain with them until their ride has arrived. Also, as a reminder, teachers may not provide rides home to students.
- III. When students stay **after school** for tutoring or to participate in a club or activity, **they must be under the supervision of a teacher or sponsor at all times**. When tutoring and/or a meeting has concluding the teacher/sponsor must walk their students to the back porch and remain with them until their ride arrives.
- IV. You are reminded that while **on duty you must be alert and responsive to student activity**. This will require you to move around your area. You should also instruct students to adhere to the uniform policy as well as (and more importantly) attempt to build cordial relationships with them. The more often you talk to students on a day to day basis, the more positively they will respond when you are correcting negative behaviors- even if you are not their teacher! High expectations yield high results, and building relationships is a critical component of ensuring a school climate that is safe and orderly for all of us. Good teachers know that students typically respond less favorably to teachers they don't know and don't have a relationship with so it would behoove you to buy in to this way of thinking and get to know our students.
- V. If you would like to send a **communication via email to the entire staff** must be approved and sent through Ms. Bonura. Also, please do not "reply all" to any email.

Winter Holiday Party- T. Carter

As the Thanksgiving break draws nigh, I know that we will soon be moving at breakneck speed to EOCs, exams and the winter break. Here's your save-the-date-reminder about the winter holiday party to be held on Tuesday, December 19 at 2:00 PM - 4:00 PM. By popular demand, the party will be held at Shamrock and will include time for fun, fare and drinks as well as entertainment during our KINGdom karaoke hours.

Cost is \$10 per person and may be paid to me in the library beginning tomorrow, November 14 through December 18. Please don't hesitate to contact me with any questions or concerns.

Also, Kudos to the following faculty and staff who earned the **Webpages that Wow Award** for this week:

[Kent Simmons - World History](#)

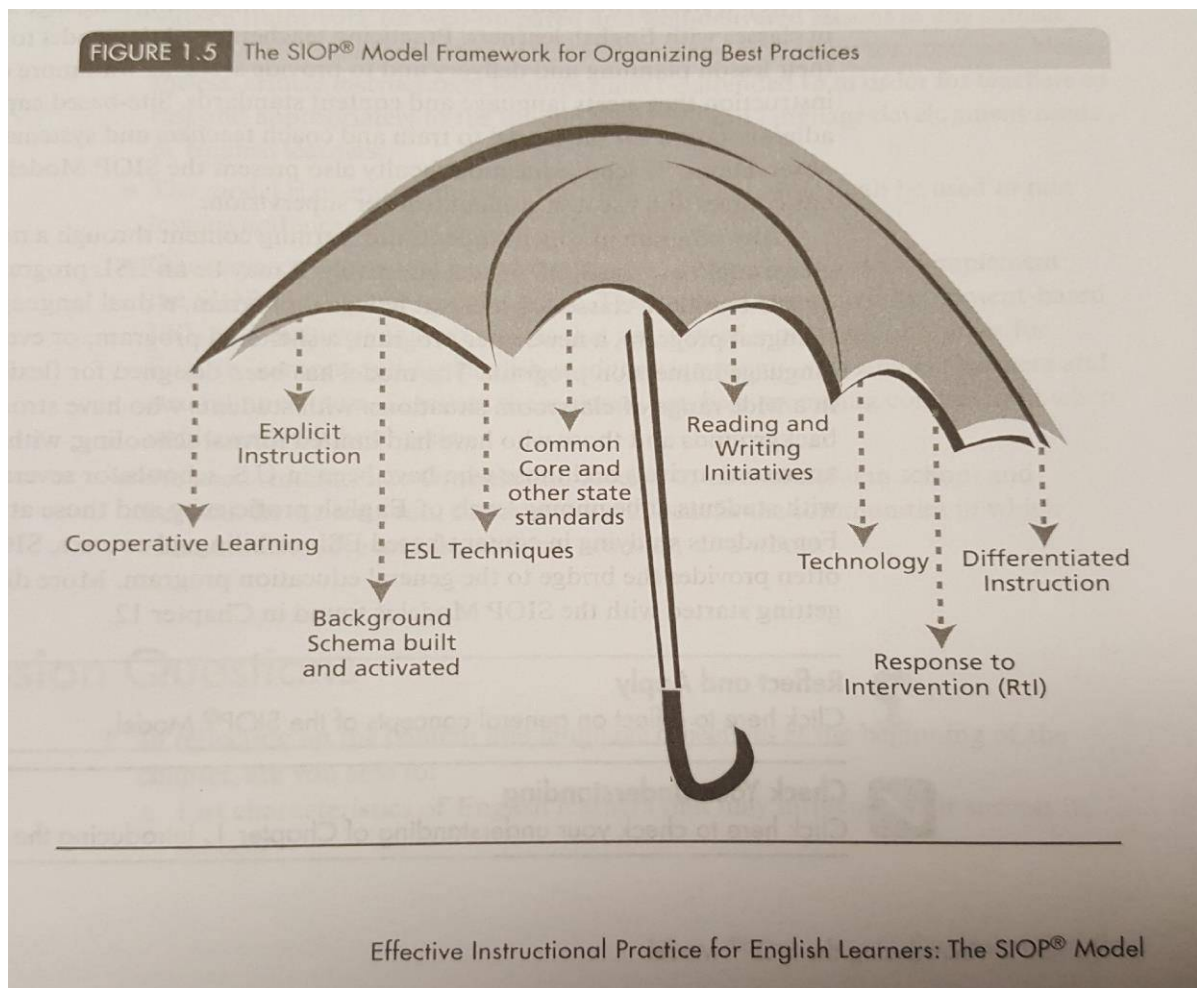

[Nurse Jenny's Health Services](#)

[Tina Herbert - Principles of Business](#)

[Natalie Saintfleur - World Geography](#)

Your web page helps all of those in the community, so keep the good work. If you need help with your web page, please don't hesitate to contact me or one of our WTW colleagues.

2017-2018 SIOP COURSE FOR EDUCATORS AT GRACE KING

Grace King is pleased to offer a course on Sheltered Instruction Observation Protocol (SIOP) for all teachers and paraprofessionals. This course will consist of nine trainings beginning in September and ending in April and will include a textbook accompanied by required readings and course assignments. SIOP will be facilitated by district personnel. We are very excited about this new addition to our professional learning community and believe that this course will be extremely beneficial to all faculty members

M. McCabe - Technical Support

C. Carter (Sped. & 504), Torrado (ESL) – Accommodation Monitors Maintenance - Restroom Monitors

The 300 bldg is a restricted area with the exception of the Math Hall and 322. Students whose classes are located in the Visual Arts bldg. (400) will be redirected to enter and exit through the gates between the 300 and 600 buildings. Restrooms in the 300 bldg will be reserved for examinees. The following list contains the list of teachers whose classes will be relocated to alternate classrooms during the EOC Examination Period. These teachers should repeatedly inform their students of the classroom relocations.
