## FACT SHEET FOR FAMILIES AND SCHOOL STAFF: LIMITATIONS ON DHS IMMIGRATION ENFORCEMENT ACTIONS AT SENSITIVE LOCATIONS

All children have a right to a free public education, regardless of their actual or perceived immigration or citizenship status or that of their parents.<sup>1</sup> Education leaders, teachers, students, and families, have asked questions about guidance that was released by the U.S. Department of Homeland Security (DHS) that limits immigration enforcement actions from occurring at schools and other "sensitive locations." This DHS guidance is at: <https://www.cbp.gov/border-security/sensitive-locations-faq>. To respond to those questions, the U.S. Department of Education has worked with DHS to prepare this fact sheet, intended to help parents, families, educators, and other school staff understand the DHS guidance.

In general, DHS has explained that immigration enforcement actions may not occur at or in "sensitive locations."<sup>2</sup>

These locations include:

Schools, such as known and licensed daycares, pre-schools and other early learning programs; primary schools; secondary schools; post-secondary schools up to and including colleges and universities; as well as scholastic or education-related activities or events.

School bus stops that are marked and/or known to the officer, during periods when children are present at the stop.

Medical treatment and health care facilities, such as hospitals, doctors' offices, accredited health clinics, and emergent or urgent care facilities.

Places of worship, such as churches, synagogues, mosques, and temples.

Religious or civil ceremonies or observances, such as funerals and weddings.

During public demonstrations, such as a march, rally, or parade.

### Will enforcement actions ever occur at sensitive locations?

DHS has explained that immigration enforcement actions may occur at sensitive locations in limited circumstances, but should generally be avoided. DHS officers and agents from U.S. Immigration and Customs Enforcement (ICE) or U.S. Customs and Border Protection (CBP) may conduct an enforcement action at a sensitive location only with prior approval from an appropriate supervisory DHS official, or if the enforcement action involves exigent circumstances related to national security, terrorism, or public safety, or where there is imminent risk of destruction of evidence material to an ongoing criminal case.

### What should I do if I believe an enforcement action has taken place that is inconsistent with this guidance?

DHS has explained that there are a number of locations where an individual may lodge a complaint with DHS about a particular immigration enforcement action that may have taken place in violation of these or other policies. You may find information about these locations, and information about how to file a complaint, on the DHS website at <https://www.dhs.gov/>, the CBP website at <https://www.cbp.gov/>, or ICE website at <https://www.ice.gov/>.

You may contact ICE Enforcement and Removal Operations (ERO) through the Detention Reporting and Information Line at (888)351-4024 or through the ERO information email address at [ERO.INFO@ice.dhs.gov](mailto:ERO.INFO@ice.dhs.gov), also available at <https://www.ice.gov/webform/ero-contact-form>. The Civil Liberties Division of the ICE Office of Diversity and Civil Rights may be contacted at (202)732-0092 or [ICE.Civil.Liberties@ice.dhs.gov](mailto:ICE.Civil.Liberties@ice.dhs.gov).

You may contact the CBP Information Center to file a complaint or compliment via phone at 1-877-227-5511, or submit an email through the website at <https://help.cbp.gov>.

### Where should I report discrimination if I believe it is taking place in my school?

Anyone with information about discrimination occurring in schools, including discrimination on the basis of race, color, or national origin (which may include citizenship or immigration status), may file a complaint by contacting the U.S. Department of Education, Office for Civil Rights via [www.ed.gov/ocr](http://www.ed.gov/ocr), [ocr@ed.gov](mailto:ocr@ed.gov), 800-421-3481 or TDD: 800-877-8339 (for language assistance contact 800-USA-LEARN (800-872-5327)) or by contacting the U.S. Department of Justice, Civil Rights Division, Educational Opportunities Section via [www.justice.gov/ert/edo](http://www.justice.gov/ert/edo), [education@usdoj.gov](mailto:education@usdoj.gov), 877-292-3804, or TTY: 800-514-0383.

<sup>1</sup> For more information about these civil rights protections, please see the U.S. Department of Education (ED) and U.S. Department of Justice joint Dear Colleague letter on the ED website: <http://www2.ed.gov/about/offices/list/ocr/letters/colleague-201405.pdf>

**ACTION ITEM Foreign Language Proficiency Test (FLPT)**

In an effort to provide schools additional time to register students for the FLPT, the assessment is being offered at the end of September. Students that will participate in this first administration should **not** be scheduled into foreign language classes, as the student will not receive their score until the end of September and schedule changes may not be feasible at that time.

The Foreign Language Proficiency Test will be administered on **September 30** at Bonabel High School.

- French I and Spanish I will begin at 8:00 a.m.
  - French II and Spanish II will begin at 1:00 p.m.
  - For students participating in ONLY the Spanish II exam it will begin at 12:00 noon
- The cost of each exam is \$20.00 -- no charge for Beginner LEP students. Registration will take place at each school through the school's counselor. There will be no on-site registration the day of the test.

# It's our "Duty" to do our "Duty"

Teachers and staff member is responsible for the safety and well-being of students and staff; therefore, everyone should report to their respective duty assignments everyday and on time.

## Tardy Pass Procedures – V. Johnson

It is imperative that teachers impress upon students the need to be in class during the entire instructional period. As part of your Blackboard Configuration, you should clearly specify the time spent on each segment of your lesson. Students who are consistently tardy during the first minutes of class, when the warmup or the initial formative assessment occurs, miss out on critical information needed to successfully complete the lesson objective for the day. Under no circumstance should you delay your lesson activities because students arrive to your class late. If multiple students are arriving late everyday, then this a matter that must be addressed with an administrator, as it may also require a closer look at your classroom management plan. Please don't hesitate to see me should you have any questions.

First periods teachers should have received their tardy passes. Please do not give them out until Monday morning. If you are a first period teacher and have not receive them please email me as soon as possible. You should personally write student's names on the passes in print since it is very hard to understand some of the students writing.

Also attached is the tardy log every teacher is required to use as well. One for each period. When the students comes in tardy they must sign the log upon entering your class. Please turn in log to me on Friday afternoon.

I want to thank everyone for your cooperation, if you have any questions please don't hesitate to ask. Below are the instructions attached to the passes.

Procedures for Distributing Tardy Passes:

You have been provided with \_\_\_\_\_ # of passes

1. You, (teacher) must write students first and last name on each pass.
2. After writing each name on pass, distribute passers to each student.
3. Ensure they have received the correct assigned pass have student sign their signatures (first and last name) on the roster next to their name.
4. You are to return signed rosters and all undistributed passes (with names on them) to Operations, within the first 15 minutes of first period.

I have ensured that I have written first and last names of each student and they have received their assigned pass X\_\_\_\_\_

I am returning \_\_\_\_\_# of assigned passes due to absences. **Name:**

## Graduate School Survey- Erika Russo

My name is Erika Russo. I am a social studies teacher here at Grace King. I am currently enrolled in a graduate course for Educational Research. One of my projects is to ask teachers and staff about professional development, then complete a research assignment based on my findings.

Please fill out the attached survey and email it back to me ([erika.russo@jppss.k12.la.us](mailto:erika.russo@jppss.k12.la.us)) no later than September 15th.
